## Quick tour - watchlist

### Watchlist: A quick view of all your connected businesses

Dashboard Search **Watchlist** Support Account Logout

Your watchlist provides a quick way to view all the businesses you've connected with some key details – name, identifiers and scores.

NOTE: Late payment risk score and failure risk score will only be displayed in the watchlist if you have purchased an Assess report.

Sort by 'name' or by the last time you accessed the information on that business

Find a business in a watchlist quickly by searching on name or identifier

Your watchlist has a set amount of results per page – tab through to navigate through all connected businesses

Name	Number	Late payment risk score	Failure risk score	Actions

There are a number of actions you can access for a given business in your Watchlist.

This will take you to the entity page where you can view the details of the business. This will do a 'Check' on a business

If 'Details' is in green you have already viewed ('Checked') this business.

Delete the business from your watchlist.

You can search and reconnect, and your ordered reports will still be there.

Expand to see available reports

View reports indicates you have already ordered at least one report on this business

By expanding on View reports or Order first report you will see what's available, the cost and go straight to the report.
